Status Change Form for Mastercard® Automatic Billing Updater (MABU) and Visa® Account Updater (VAU)

MABU and VAU are account updating services in which your APCI Federal Credit Union Mastercard credit card and/or Visa debit card are automatically enrolled. When your card expires, or is lost, and a new card is issued, MABU and VAU services may update relevant card data including card numbers and expiration dates to merchants who participate in the program. These free services are provided to help ensure uninterrupted payment and service to cardholders that have recurring payments established with merchants.

If you wish to change your status with these services, please complete the information below.

By opting in or out of these services, your status will change with all participating merchants.

I would like to opt-out of the following service(s):

Mastercard Automatic Billing Updater (MABU)
For Mastercard Credit Card Number (last four digits):   _____

Visa Account Updater (VAU)
For Visa Debit Card Number (last four digits):   _____

I would like to opt-in to the following service(s):

All cardholders are automatically enrolled. Opt-in should only be selected if you have previously opted out and would like to change your status to participate in the service(s). It is recommended that participating cardholders continue to contact all merchants that they have recurring payments established with when card information changes.

Mastercard Automatic Billing Updater (MABU)
For Mastercard Credit Card Number (last four digits):   _____
